

BELAIN FARM

A Private Country Estate Defined by Craftsmanship, Land & Enduring Beauty

Belain Farm represents a rare opportunity to own a legacy estate in the heart of Caledon's most picturesque countryside—where land, architecture, and lifestyle are thoughtfully intertwined to create

The Residence

- Metal roof (2014) with lifetime warranty
- Fully renovated upper level (2012)
- Enhanced attic insulation for year-round efficiency
- Original pine floors throughout the majority of the home
- Extensive custom millwork
- Custom-crafted bunk beds
- Second main floor guest suite or optional second primary bedroom
- Functional mudroom with separate entrance, main floor laundry, and custom cabinetry
- Lower level basement fully spray-foamed

Primary Retreat

- Sculptural iron rod railing detailing the private staircase
- Integrated built-ins including custom desk, storage, and sliding barn door
- Custom closet with built-in organization
- Spa-inspired primary ensuite featuring a Victoria + Albert soaking tub and marble flooring
- Vaulted ceiling with exposed wood beam accents

The Kitchen

- Renovated approximately two years ago Full suite of GE appliances
- Induction cooktop
- Double wall ovens
- Farmhouse sink
- Matte-finish refrigerator
- Custom handmade pine cabinetry
- Cork flooring

Film & Production History

Belain Farm is registered with both the Ontario Film Board and Set Scouter, two leading platforms used by production teams to source filming locations. The property has been featured in numerous commercial productions and acclaimed series, including Anne with an E, where it served as a filming location for over three seasons, and most recently a feature film production. This established presence offers a compelling narrative and potential supplementary income opportunities.
